

TAG HEUER CARRERA

**POLYCHROME LIMITED EDITION
CHRONOGRAPH TOURBILLON COSC**

FINE WATCHMAKING MEETS BOLD CREATIVITY

A multicolored innovative and statement piece, the never-seen-before limited edition of TAG Heuer's celebrated tourbillon brings world-leading technique and fresh style to one of its most advanced chronograph lines.

KEY FEATURES

CALIBRE HEUER 02 TOURBILLON COSC

Such an exceptional design deserved an exceptional movement: the Calibre Heuer 02T COSC chronograph tourbillon, developed entirely in-house to meet the highest standards of precision and performance, and which offers a power reserve of 65 hours.

DIAL

Contrasting against this deep black exterior, this timepiece introduces a resolutely novel rainbow-colored skeletonized dial. This state-of-the-art patented technology requires expert finesse and mastery and allows the brand to make reach new heights of creativity and craftsmanship.

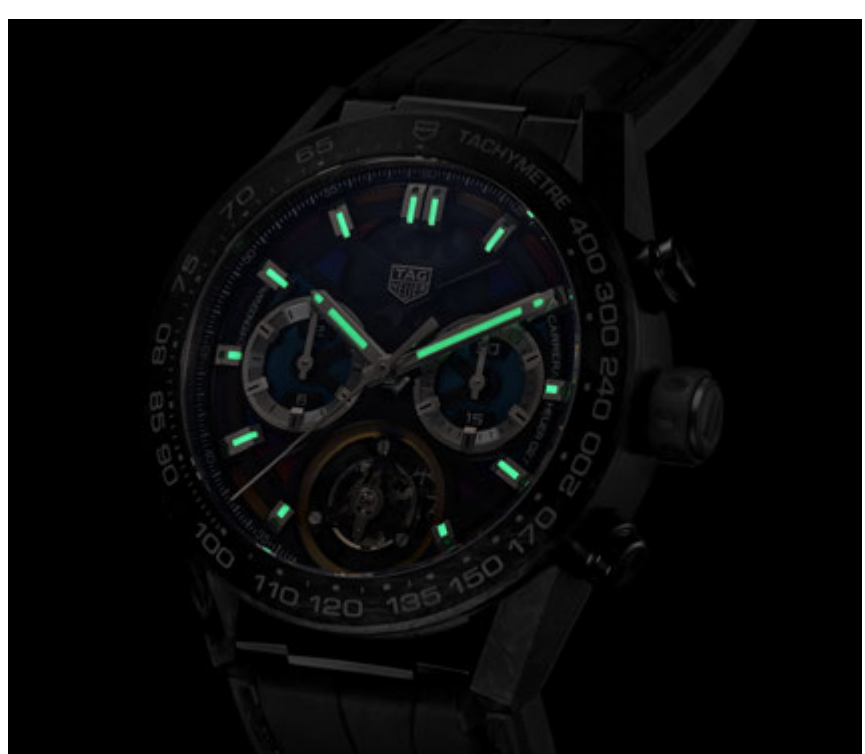

CASEBACK

The screwed sapphire case back in black PVD grade 5 titanium has a special engraving marking the limited release and XXX/150 number of the piece.

BRACELET

The strap is matte black alligator leather with a rubber lining, finished with a sandblasted grade 2 titanium folding clasp with double safety buttons and the TAG Heuer shield.

SUPER-LUMINOVA®

The applied indexes and hands are rhodium-plated, with Super-LumiNova® on the hour and minute hands.
