CALIBRE E4
45MM & 42MM

EMBRACING THE BRIGHTNESS OF GOLD

The TAG Heuer Connected 45 mm Bright Black and TAG Heuer Connected 42 mm Golden Bright Connected watches represent a perfect blend of sophisticated design, cutting-edge technology, and captivating appeal. Elevating the digital experience to new heights, an exclusive watch face called "TONOS" comes with ten different colors intricately associated with golden indexes and complications.

There's no mistaking the thrilling acting performances of Korea's rising star and TAG Heuer Ambassador Wi Ha Jun. The same goes for the cutting-edge TAG Heuer Connected Watch, which matches his style seamlessly.
