

TAG HEUER FORMULA 1

**RED BULL RACING
SPECIAL EDITION**

THE CHAMPION'S WATCH

To celebrate the alliance between Red Bull Racing and TAG Heuer, a brand-new version of the TAG Heuer Formula 1 Red Bull Racing Special Edition has been released. This outstanding new co-creation embodies the mutual values shared by TAG Heuer and the Red Bull Racing Formula 1 team and pays tribute to all Red Bull Racing fans.

KEY FEATURES

CASE

While creating this special edition, the designers at TAG Heuer worked closely with the Red Bull Racing team to co-create this unique timepiece using all the graphic codes of the Formula 1 team. The bold colours of the RBR team are highlighted in subtle touches.

DIAL

The blue sun-brushed dial with a customised minuterie features vibrant yellow and red touches. The Arabic numeral indexes are directly inspired by racing car speedometers, and a subtle reference in the form of a line above the 5 and 7 numerals was designed to evoke the starting line of a Formula 1 track.

CASEBACK

The caseback of the watch is also engraved with the words "RED BULL RACING FORMULA ONE TEAM SPECIAL EDITION".

BRACELET

This timepiece is available in two different watch versions, one with a stainless-steel bracelet and one with a blue rubber strap, offering the choice between a sporty look with the rubber strap or a more elegant appearance with the stainless-steel bracelet.

SUPER-LUMINOVA®

Indexes and hands are treated with white Super-LumiNova® for increased readability at full speed.
