INDY 500

2022 LIMITED EDITION

To celebrate 18 years as the Official Timekeeper of the NTT INDYCAR SERIES and the 106th Indianapolis 500 race, TAG Heuer has unveiled the newest limited-edition timepiece that honors its long-standing partnership with the premier league of open-wheel racing in North America.

Known as one of the oldest automobile races and part of the famous "Triple Crown", the Indy 500 is a 500-mile race held at the Indianapolis Motor Speedway in Speedway, Indiana and is the most-attended single-day sporting event in the world.

KEY FEATURES

DESIGN

Designed in collaboration with the INDYCAR team and race car driver, Alexander Rossi, the 43 mm TAG Heuer Formula 1 Indy 500 2022 Limited Edition chronograph represents the luxury watchmaker's passion for the intensity and spirit of motor racing, with motifs inspired by the Speedway.

DIAL

The Indy 500 logo is engraved in gold on the ceramic bezel with a brick shade of red to line the inner bezel. The black grained dial enhances the daring and sporty aesthetic of this model. The 6 o'clock hour chronograph counter (1/10th second) is embellished with an image of the famed Pagoda structure.

CASEBACK

A special Indy 500 engraving is splashed across the case back, displaying the official emblem and commemorative race date. This timepiece is a true road-tested endurance machine, water-resistant to 200-meters and highly shock resistant.

BRACELET

The steel three rows bracelet easily sizes and fits the watch over a racing suit, thanks to a steel folding clasp with a double safety system with pilot extension.

SUPER-LUMINOVA®

The hour and minute hands have been coated with white Super-LumiNova®.
